

Eddie & Dianna Woodfield
Missionaries to
MEXICO

September-October 2008

Dear Friends and Fellow Laborers,

During the months of October and November, **we have been on the road** visiting some of our supporting churches. We have been able to touch base with old friends and meet several new people. We passed through Texas, Oklahoma, Missouri, Iowa, and Nebraska. We did see some snow, cold weather and high winds. What a blessing to be back in the warm Valley!

During these last two months, we have been encouraged by our supporting churches and the individuals who provided lodging and meals. We have met so many understanding, generous, concerned and loving **people, which have blessed and encouraged us**. It is a real blessing to see so many folks still excited about what the Lord has done for them and mission work (spreading the Gospel). It is always a blessing when a missionary can sense the love for God in the hearts of fellow Believers.

We have moved the largest part of our ministry to Monterrey, Mexico. Russell Raymer is in charge of our ministry in Monterrey. He has been very busy arranging his home and office. He has duplicated several of our courses and has formatted some new ones. We are amazed how God continues to bless our **DVD Bible training ministry** worldwide.

We are looking forward to **summer mission trips into Mexico**. If you are interested in taking your youth group into Mexico on a summer mission trip, please contact us at 956-585-1330. You may also contact Russell at 956-821-5119 or Eddie at 956-821-4984.

Please remember **Eddie's health in your prayers**. He had to come home early because of pneumonia and a very serious nose bleed. After some medication and rest, he is feeling better. Almost every time we go north, during the winter months, he comes down with pneumonia. It is hard for him to adjust to cold weather.

We continue to be excited about what God has called us to do here at OREMUNDO Ministries. **God continues to bless and open new doors for us**. We wish to honor and praise Him. We also wish to thank all of you for your love, prayers and financial help in this ministry.

Yours in Christ,

Eddie and Dianna Woodfield
